## ABOUT GRAEME

"Merstham has been my family home for over 60 years. My Grandparents moved to Bletchingley Road in the 1950s, when the estate was built (my Grandfather designed the swimming pool at Albany Manor) and I moved to Delabole Road when I was one year old. "I grew up attending both the Furze field and Albany Manor schools, before moving to the Warwick School and onto East Surrey College. I am married and have three children.

"I've been a Borough Councillor representing Merstham for 12 years, and want to continue looking after the well-being of the people of Merstham

"I am passionate about our village and with your support, we can achieve great things together.

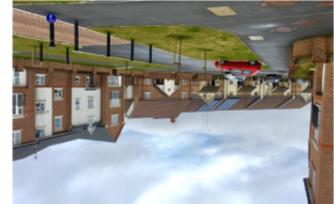

"I hope you can support me with your vote at the local elections on 3rd May."

## GRAEME CROME THE RIGHT CHOICE FOR MERSTHAM

**GREEN BELT** - I will work with other Councillors to protect our green belt from over-development and preserve our countryside to be enjoyed by both our residents and visitors to the Borough. We live in one of the most beautiful parts of Britain. Let's keep it that way.

**HOUSING** - There is growing pressure to provide more homes for people across the borough and Merstham will need to play its part. This should not mean that we simply build on any available space but look carefully at the opportunities and do what we can to support people who would also like to call Merstham their home.

**HEALTH** - Parts of Merstham have long been highlighted as an area where residents health is of real concern. One of these areas in particular is mental health. As someone with first hand experience of the life challenges this can bring, I would like to work with support groups and mental health professionals to improve the support available to our community.

**ROADS AND HIGHWAYS** - Although the responsibility of Surrey County Council, Merstham deserves improvements in this area. I will continue to work with our County Councillor, Bob Gardner to bring forward as many improvements as possible.

Merstham has gone through many changes over its history and more so than the recent regeneration project on Portland Drive. This has been a huge step forward but there is still more that can be done. I see several challenges ahead for us as a community and I would like to highlight some of them here:
