

# Remember, when local Conservatives win our whole community wins.

Victor has pledged to work for all South Park and Woodhatch residents, for the good of our community.

Victor was born in London to Polish parents, who came to the United Kingdom after the Second World War. He lives in Reigate with his partner Michele, since moving to the area from London several years ago.

Victor trained as an accountant in the NHS and went on to work as an auditor for the Audit Commission and KPMG, before retiring. As a result, he has gained extensive knowledge and experience of the NHS and Local Government, as well as commercial companies.

He has served as a Local Education Authority appointed Governor at a number of schools and has gained considerable experience of the pressures, which are faced by our schools today.

Victor has played the guitar semi-professionally for a number of years, enjoys fishing and DIY.

"I am looking forward to working with our current councillors, Derek Allcard and James King to represent the residents of South Park and Woodhatch and continue to make the Borough a prosperous area which is allowed to develop in line with the wishes of its residents."

## ABOUT VICTOR

Woodhatch Park was a project carried out by the Woodhatch Group, raising money for its construction and maintaining it over the last twelve or so years. The Group has shrunk over the years due to age and members relocating, so Reigate and Banstead Borough Council has now offered to take over the maintenance work, relieving the group from this task.

Residents in the South of Reigate have thanked the local Conservative Councillors for their perseverance in arriving at a solution, which keeps this Listed building in its present form, and allows the developer to bring it back to life. A joint effort with Meadvale & St John's Conservative Team has finally paid off. The pictures show the current state of the building and a view of the Angel as it was while still trading.

Green Belt - I will work with the other Councillors to protect our green belt from over-development and preserve our countryside, to be enjoyed by both our residents and visitors to the Borough. We live in one of the most beautiful parts of Britain - let's keep it that way.

Your local Conservative Councillors support children's activities in South Park and Woodhatch, including scouting, football and a variety of other activities. Children are our future - let's make their future as good as possible.
